2024-2025 7-Hour USPAP Update Course

Check in begins at 8:15am; class starts at 8:30am

Tuesday, February 11, 2025

Instructor: Brian Flynn, MAI, AI-GRS

This required 7-hour continuing education course, copyrighted by The Appraisal Foundation, focuses on USPAP requirements for ethical behavior and competent performance by appraisers. New case studies and tools are provided to help you learn how to better navigate USPAP in order to solve problems in your daily appraisal practice, and a USPAP Reference Manual is included with the course handbook. The topic of bias and appraisal practice will be covered using Advisory Opinion 16 showing how an appraiser can comply with USPAP as it relates to fair housing laws. The course will help you gain competency in USPAP, and it will help those subject to state licensing or certification and continuing education requirements imposed by professional organizations, client groups, or employers gain competency as well. NOTE: Appraisers must successfully complete the 7-Hour National USPAP Continuing Education Course every 2 years to meet the USPAP continuing education requirement. **Registration includes course materials (not the USPAP Manual from the Appraisal Foundation). When you register for the course the default is to download the course material. If you want hardcopy you have to select that option; there will be an extra fee. This material is required for the course, but it is not the USPAP Manual, it is the student handbook & guidebook for the class. You are required to have this material in class, hardcopy or downloaded on a computer.**

Registration Fee: \$190 member/\$209 non-member
